

## WEDNESDAY 19.09.2018

**18:00–19:00**

**Early registration**

**19:00–20:30**

**Pre-Meeting Video Session**

**Chairmen: J. Masia / E. Santamaria**

- How to do a safe NSM — N. Leymarie
- Preoperative marking tricks and tips:
  - DIEP — J. Masia
  - Submamary breast enlargement — V. Khrapatch
  - Implant mastopexy — S. Ayhan

**20:30–21:00**

**Welcome cocktail**

## THURSDAY 20.09.2018

**8:00–8:45**

**Registration**

**8:45–9:00**

**Opening ceremony**

**O. Savenkov (Ukraine) J. Masia (Spain)**

**O. Kovalyov (Ukraine), O. Balashova (Ukraine), Y. Bereznitsky (Ukraine)**

**9:00–10:00**

**Latest trends in breast oncology surgery**

**Chairmen: N. Anikusko / Y. Barnea**

- SLNB in Europe: 25 years learning from our results — N. Leymarie
- SLNB with ICG technology in Ukraine — O. Savenkov
- Neoadjuvant therapy: non surgical treatment of breast cancer — O. Kovalyov
- Breast reconstruction goals in XXI century — J. Masia
- What is ideal breast? — S. Ayhan

**10:00–11:00**

**Breast Conservative Surgery**

**Chairmen: Y. Barnea / E. Santamaria**

- BCS versus mastectomy — J. Masia
- How do I choose the best oncoplastic approach? — N. Leymarie
- Tailoring oncoplastic surgery — A. Zhygulin
- Neoadjuvant chemotherapy like an option for BCS — N. Anikusko

**11:00–11:30**

**Coffee break**

**11:30–12:30**

**Breast reconstruction: different ways to get best result**

**Chairmen: O. Savenkov / N. Leymarie**

- Local flaps for partial breast reconstruction. — M. Anikusko
- Immediate breast reconstruction with implants — E. Santamaria
- Immediate breast reconstruction with autologous tissue — S. Ayhan
- Prepectoral DTI reconstruction: breaking the dogma — J. Masia
- Prophylactic Mastectomy: when and how — Y. Barnea

**12:30–13:00**

**SPECIAL LECTURE: The power of social media networks and digital marketing in the new era of the Aesthetic Surgery. – H. Uribe**

**13:00–14:00**

**Lunch – Parallel Symposium on Making decisions in Oncoplastic Surgery (limited seats)**

**14:00–15:00**

**DTI vs two stage breast reconstruction — FACE to FACE debate**

**Referees: H. Uribe / N. Anikusko**

- DTI: N. Leymarie / Y. Barnea
  - Two stage breast reconstruction: E. Santamaria / S. Ayhan
- (Vote for the best team!)

**15:00–16:00**

**Hybrid implant breast reconstruction**

**Chairmen: M. Atlan / S. Ayhan**

- Fat grafting in oncologic patients — N. Leymarie
- Fat grafting and implant breast reconstruction — Y. Barnea
- Radiotherapy and implant breast reconstruction: before, after or never? — E. Santamaria

**16:00–16:30**

**Coffee break**

**16:30–17:00**

**Workshop on ICG technology for breast surgery (Life assessment in volunteers and patients)**

**17:00–18:00**

**Disasters FOR THE masters (all faculty)**

**Referees: J. Masia / O. Savenkov**

**UKRANIA TEAM vs INTERNATIONAL TEAM**

**19:00–22:30**

**Gala dinner**

## FRIDAY 21.09.2018

**8:00–9:30**

### **Autologous breast reconstruction: Most useful flaps step by step**

**Chairmen: O. Savenkov / Y. Barnea**

- Planning perforator flaps in breast reconstruction — J. Masia
- DIEP — N. Leymari
- Gluteal flaps — E. Santamaria
- TAP — M. Atlan
- Alternative perforator flaps: SEAP (Superior Epigastric Artery Perforator Flap for Breast Reconstruction) — H. Uribe

**9:30–10:30**

### **How to avoid and solve complications in perforator flaps: my best tricks.**

**Chairman: S. Ayhan / N. Anikusko**

**J. Masia / E. Santamaria / M. Atlan / N. Leymarie**

**10:30–11:00**

**Coffee break**

**11:00–12:00**

### **Contralateral Breast Simetrization: when and how**

**Chairmen: O. Savenkov / M. Atlan**

- V. Khrapatch
- Y. Barnea
- E. Santamaria
- N. Leymarie

**12:00–12:30**

### **Keynote lecture: Lymphatic surgery: myths and facts — J. Masia**

**12:30–13:30**

**Lunch – Parallel Symposium**

**13:30–14:45**

### **Breast augmentation. Solving the complications.**

**Chairmen: V. Khrapatch / N. Leymarie**

- Solving complications: breast capsular contraction — Y. Barnea
- Round vs anatomic implants and where? — H. Uribe
- Solving complications: bottoming out / double bobble — V. Khrapatch
- How to control the implant pocket: the popcorn technique — M. Atlan
- ALCL Update — Y. Barnea

**14:45–15:30**

**Mastopexy: how do I get natural and stable results?**

**Chairmen: N. Leymarie / M. Atlan**

- Aesthetic mastopexy – V. Khrapatch
- Mastopexy augmentation with implants — S. Ayhan
- Mastopexy without implants – H. Uribe
- How to prevent recurrent ptosis and bottoming out after mastopexy — E. Santamaria

**15:30–16:00**

**Coffee break**

**16:00–17:00**

**Congenital breast deformities**

**Chairmen: M. Atlan / A. Khomenko**

- Poland syndrome — E. Santamaria
- Tuberous breast — Y. Barnea
- PAAG syndrome — V. Khrapatch
- Breast glandular asymmetry — S. Ayhan

**17:00–18:00**

**Crying for help IN COSMETIC BREAST SURGERY (all faculty)**

**18:00**

**Closing Remarks. O. Savenkov / J. Masia**
